

Hemel Squash Club Christmas Meal 2013

21 members, including partners, attended our Christmas meal at The Fisheries Inn on Saturday 7th December. 3 more members attended for drinks and to listen to the awards ceremony later on in the evening. Everyone had a great time – it was a great chance to get to experience a different side of members in addition to meeting their better halves. The food was great (although the Christmas Pudding Cheesecake had mixed feedback) and the alcohol flowed freely. This was a brilliant way to end a great 2013 for the club – roll on 2014.

Merry Christmas to all members. Enjoy the pictures.
