Well done Jack on winning the top 3 awards. You've truly had an excellent 2013. Special mention must also be made to Ricky Lang, who has lost the fewest matches in 2013 (2 or 3) – fantastic consistency from a quality player. Thank you all for selecting me for 4 awards. My awards for best tantrums, most competitive and caller of the most strokes/lets does paint a particular picture of me, however I'm still a nice guy! Under most improved players, Jack is a worthy winner. Special mention to Chris Burgess, Steve Farkas, Antony Diblasio and Ed Davies who have all progressed really well in 2013.

Thank you all for competing in the league in 2013, therefore contributing to its success. Long shall it continue into 2014 and beyond.

Donald Luke
